

MECO has been awarded the EFY Readers Choice Award for the Year 2006 for the Product Category - MULTIMETERS.

Under the leadership of Mr. Premchand Goliya (Chairman and Managing Director)

MECO has won this award for the 3rd consecutive time! Thank you customers for your continuous patronage and

organised by the EFY at New Delhi.

Mr. Kamla Goliya (CEO) - Meco Instruments Pvt. Ltd.

Mr Vinod Sharma - President - ELCINA

confidence shown in us. Mr Kamal Goliya (CEO), MECO Instruments received the trophy and certificate from Mr Vinod Sharma (President - ELCINA) at a grand ceremony

put together to get the top five nominations and then the winner among them.

At present MECO has a share of over 50 percent in the organized market of Multimeters

and over 60 percent in Clamp-on meters. Kamal Goliya, CEO, MECO Instruments says, "The first tool one can think of for any electrical measurement is either Multimeters or Clamp-on meter. I see this trend continuing at least for the next few years".

Kamal Goliya adds "Dear customers, without your support and patronage this prestigious award would not have been possible. We cherish our relationship with you."
