**Dear Mr Kamal Goliya**

**Sub : Vendor Appraisal**

We thank you for your support extended to us for supply of various **Electrical and Electronic Testing and Measuring Instruments and Transducers.**

We have been using MECO Analog Panel Meters, Digital Panel Meters, Power Line Transducers, Testing and Measuring Instruments since more than past 3 years in our projects like PGCIL, NTPC, NPCIL, APTRANSCO, RRVPNL, TALA-HYDRO (NEPAL), ALSTOM - GVK, etc and find MECO products to our complete satisfaction.

The presales and post-sales service and support offered are prompt and timely.

We hope to have similar support from your organization for this financial year too so that we can all mutually achieve higher targets.

We once again thank you for your support extended to fulfill our customer needs.

Yours faithfully  
For GE India Industrial (P) Ltd.,

  
Murali Krishnan R
