Dear Sir/Madam,

We take pleasure in informing you that **MECO AC Multifunctional Calibrator Model 90P** supplied to us is working satisfactorily since the past 4 years.

We are using the Calibrator for sourcing voltage(0-200V) & current input (1-10A) with power factor adjustment.

The Calibrator is found to be stable and reliable and we have pleasure in recommending the same to others.

Thank you again for your service and we will look forward to continuing our relationship in the future.

With Best Regards,

**Mr. Anoop Gupta**
